THE SITUATION AT MANILA

SICKNESS IS REPORTED AMONG
DEWEY'S MEN.

This However is Denied—Spaniards
Threaten to Shoot Captain Pau of
the Callao—Insurgents Neutral.

LONDON, May 31.—A dispatch to
the Daily Telegraph from Manila, dated
May 26th, via Hongkong, says: The
American warships are still in the
bay, except a couple of the smaller
ones, which are being used for
patrol duty outside. Rear Admiral
Dewey is losing men from disease al-
most daily. Smallpox and dysentery
are said to be rife in the American
squadron.

Aguinaldo, the insurgent chief, has
reached Cavite from the interior, and
soon after his arrival went aboard one
of the warships. He is working
hard to gain over the rebels to the
side of the Americans in view of the
active co-operations when Dewey's re-
inforcements arrive.

HONGKONG, May 30.—The British
second class cruiser Pique has arrived
here from Manila; she reports all
quiet at both places.

Supplies reach Manila plentifully
from the surrounding country. There
is no panic in Manila. The Spaniards
are working upon the fortifications,
but the garrison is short of ammu-
nition. Rear Admiral Dewey has in-
formed the authorities of Manila
that he will hold them responsible for
the life of the captain of the Spanish
gunboat Callao, captured by the United
States fleet. The Spaniards have been
threatening to shoot him for surren-
dering, although he was confronted by
the whole American fleet. All the Amer-
ican ships are at Cavite, Manila Bay. Salt
provisions are plentiful, but fresh provisions
are not obtainable. There is no sickness
in the American fleet.

The governor of Hongkong has
prohibited the United States auxiliary
cruiser Zafiro from taking war stores to
the American fleet, but has permitted
her to take ship officers' luxuries. The
Zafiro sails from here for Manila today.

HONGKONG, May 30.—The Ameri-
cans captured the Spanish gunboat
Leyte, which was attempting to run
dispatches into Manila. A steamer is
reported to have landed 6,000 rifles at
Cavite for the use of the insurgents. The
Spaniards have offered \$25,000 reward
for the head of Aguinaldo, the insurgent
leader.

In reply to the Spanish attempt to
win over Aguinaldo's men, the insurgents
are said to have informed the Spaniards
that they are neutral and will await
events. The Spanish gunboat El Cano,
which captured the American bark Saragoc,
loaded with coal, owned by William Simpson, Jr.,
of New York, left Manila and has gone
to the Semaungan river. It is asserted
that the Spanish released the Saragoc
owing to the fact that the steamer
hoisted the British flag prior to her
capture.

TROOPS HAVE NOT LEFT.

TAMPA, June 2.—It can be stated
positively that no United States sol-
diers have left here yet for Cuba.

CHINA FLOATS THE FLAG.

WASHINGTON, June 2.—At the
opening of today's session the Senate
passed the bill conferring an Ameri-
can registry upon the steamship Chi-
na of the Pacific Mail Steamship Co.

SPAIN WANTS PEACE.

Castillo Charged to Ask the Powers
to Intervene.

LONDON, June 2.—The Madrid cor-
respondent of the Morning Post says:
Senor Castillo, Spanish ambassador
to France, at a recent conference with
the Queen Regent and Senor Sagasta,
was officially charged to ask the
powers to intervene to obtain peace
on such terms as would protect the
honor of Spain. The ambassador will
urge for the reason of such interven-
tion the danger and loss of trade to
the powers themselves in the event
of a continuation of the war. Political
and diplomatic circles in Madrid
believe Castillo will succeed.

THE SINEWS OF WAR.

Biggest Deficiency Bill Ever
Presented to Congress.

The Secretary of War has asked
Congress for an additional appropriation
of \$5,871,000, made up of the fol-
lowing items: Torpedoes, \$1,286,000,
including \$150,000 for the defense of
Manila harbor; torpedoes and guns
and mortar batteries, \$450,000; con-
tingencies of the army, \$100,000; arm-
ament for fortifications, \$735,000, and
ordnance stores and supplies, \$3,200,000.

This is expected practically to com-
plete the naval and war deficiency es-
timates, so far as can be seen, save
for the items of between \$40,000,000
and \$50,000,000, to be submitted im-
mediately, to cover the expenses of
the Volunteers under the President's
second call.

Chairman Cannon of the House
Appropriations committee was in
consultation today with war depart-
ment officials over these estimates,
and they will be incorporated in the
general deficiency bill. With every-
thing now in sight the total carried
by the general deficiency bill will
reach \$207,769,805, making it the large-
est deficiency bill ever presented to
Congress. It will be submitted to
Congress in the next few days.

I was seriously afflicted with a
cough for several years, and last fall
had a more severe cough than ever be-
fore. I have used many remedies
without receiving much relief, and be-
ing recommended to try a bottle of
Chamberlain's Cough Remedy, by a
friend, who, knowing me to be a poor
widow, gave it to me, I tried it, and
with the most gratifying results. The
first bottle relieved me very much,
and the second bottle has absolutely
cured me. I have not had as good
health for twenty years. Respectfully,
